#### 12. **Any Other Business:**

- It was brought to members attention that we have Dewby's Bells (mini ring) at the South East Show at Ardingly as part of the Sanctuary. This is to raise our profile not necessarily to recruit. We have free passes for volunteers who can help man the mini ring and give demonstrations for half of the day: This would mean that the rest of the day would be free. Anyone willing to help should contact Alison Everett ([publicity@scacr.org](mailto:publicity@scacr.org)) or Marisa Hayes.
- Ringing Remembers – Nationwide campaign to recruit 1400 ringers by next Armistice Day which is the centenary of the end of WW1. This is receiving some government funding and there is already a Poster available on the CCCBR website to be displayed in church porches, or elsewhere to advertise this and more posters, leaflets, etc. are being produced and will be available soon. The CCCBR are keen to get people to sign up if they are a new ringer since last November on the "Ringing Remembers" page on the CCCBR web page. 'Big Ideas' is interested in stories from the learners about why they are learning and how they are getting on which has a link on the CCCBR web site.
- There is an inter-divisional event on May 19<sup>th</sup>, so for all Districts, to walk or cycle along the Downs Link Way from Tower to Tower and ringing at each church. You can also travel by car between Towers if preferred.
- It was asked how the Association will know if you want a 2017/2018 Report/Handbook as there was no provision on the e-mail subscription form to indicate this. MH said that she had been advised by the Association Secretary that the Tower correspondents will soon be getting an e-mail asking how many books they require for their Tower.
- Thanks was expressed to Graham Hills for his hard work as Association Master over the past 3 years.
- Thanks was also expressed to the tea ladies for providing tea.
