## What's happened around the District?

### WHIRLS Fish, Chips and Treasure

Huge thanks to Val Farley from Slinfold for arranging a wonderful fish & chip supper followed by a walking Treasure Hunt around Horsham on 7<sup>th</sup> June. Great fun!

### Morning Gathering at West Hoathly - Rachel makes a plea for better attendance

June 4<sup>th</sup>, high summer, people away and the wedding season, but were there only 10 people interested enough and available to attend this morning get together? The committee had agreed that a morning event would be the best possible use of our first Saturday in June. The West Hoathly ringers and others) provided a very good spread of cakes and real coffee which the fortunate few much enjoyed. Richard Pendlebury was nominally in charge of the ringing but this was mostly agreed by suggestion and discussion and a good standard was achieved with a variety of methods rung. Those who did not have to dash off to weddings spread out their rugs in the hot sunshine and we shared a very pleasant picnic lunch.

Please do try to give more support to your committee who arrange these Saturday events for YOU (i.e. everyone!).

## Success all round at Ringing World National Youth Contest on 2<sup>nd</sup> July

Following on in great Northern District tradition, three youngsters from Warnham and Horsham have represented Sussex in the Ringing World National Youth Contest held in London. A record number of 24 teams entered this year with Sussex entering two for the first time. Catherine and Andrew were in one, Emma the other.

Huge congratulations to all of them, with Andrew and Catherine's team coming joint second overall (ringing Grandsire Triples) and Emma's team coming third in their heat (ringing call changes), narrowly missing out going through to the final.

Well done to all 16 ringers who not only produced a high standard of ringing but were true ambassadors for Sussex in their positive and friendly approach.

We had a super day, with the youngsters being given the opportunity to ring at churches such as St Mary le Bow and St Magnus Martyr, both of which have 12 bells. It was lovely to see so many youngsters from all across the country mixing and having a fun time. Next year's contest will be held in Birmingham - perhaps we'll have more from the North joining in?

## WHIRLS Summer BBQ

Thanks to Tom White for a fantastic WHIRLS summer BBQ a few weekends ago. 40 people enjoyed Tom's lovely garden and pool and I am told the food was excellent as well. Unfortunately, many of the photos were unprintable - well would you want to see Ian emerging from the pool?

## Northern District Outing to Basingstoke and Test Valley

Ringers from across our district visited six churches on Saturday 6<sup>th</sup> August. Churches included St Mary, Upton Grey, All Saints, Basingstoke, St Leonard, Church Oakley, St Mary, Overton, St Mary, Crawley and All Saints, Houghton. A fine lunch was enjoyed at The Fox, North Waltham. Thank you to Jeremy for organising this. Sandra tells me that it turned out to be a brilliant day - I am not sure what she was expecting?!

## SACAR News and Events

### Next Codger's outing on Wednesday 7<sup>th</sup> September

'Codgers' is a group of ringers across Sussex of all ages who get together to for a 'mini-outing' once a month. Codgers was formed about 18 years ago by George Francis from Warnham. Although members are predominantly from Sussex there are several from other counties. Codgers will happily ring rounds and call changes as well as more difficult methods so ringers of all ages and skills are welcome as long as they can handle a bell safely by themselves with reasonable striking.

We meet once a month, usually on the first Wednesday and have a Summer Outing in June. The usual arrangement is to ring at two towers with a pub lunch between towers. The venue for the month can usually be found on the SCACR website calendar and details are usually circulated during the previous week of the meeting. Anyone interested in joining can get more details from Mike Foster at [codgers@scacr.org](mailto:codgers@scacr.org)

### Heritage Open Days: 8<sup>th</sup> - 11<sup>th</sup> September 2016

Thousands of buildings and places across England will be throwing their doors open to the public for four days again in September, for an annual celebration of architecture, history and culture. For this year's festival, Heritage Open Days have joined forces with the Central Council of Church Bell Ringers to open up the heritage treasure hidden inside England's bell towers and bring to life the 400-year- old tradition of English-style bell ringing.

The challenge is to open up 500 bell towers across the country to the public, offering special bell ringing demonstrations at some point during the week-end.

### Collective Bell Ringing Moment 18:00 - 19:00 Thursday 8<sup>th</sup> September

Heritage Open Days are hoping to create a collective bell ringing moment during the festival on Thursday 8<sup>th</sup> September 6.00 - 7.00pm. If you haven't already heard about this then it's probably too late to take part officially this year as bell towers need to register with Heritage Open Days by 1st August 2016. However, there's no reason why you shouldn't join in unofficially and/or ring with everyone else on Thursday 8<sup>th</sup> September or visit some of the towers that are participating. They'll be listed on the Heritage Open Days website (Visiting) and can be searched by town, county or local authority.

### Welcome to the new Association Publicity & Events Team Leader: Alison Everett

My name is Alison Everett, for those of you who don't know me, I'm a comparative new bellringer from Bosham. I have been attending SCACR meetings and events for a few years now trying to work out who is who in the Bellringing community, and ring where I can when I am away from home, meeting other Bellringers and finding out more about other Associations and Guilds. I helped with the Ropemaking Demonstration at the wonderful Horsham Festival of Bells, and volunteered as a Marshal at the Central Council AGM in Portsmouth, because I live just over the border from Hampshire being in the south west corner of Sussex, and subscribe to their website, as well as following a number of them and other neighbouring Guilds and Bellringers on Facebook and Twitter. I attended a SCACR Communications and Events Team meeting in June and met all the team.

The role of [publicity@scacr.org](mailto:publicity@scacr.org) is an evolving one and I am proud and excited to be part of the challenge we face in promoting bellringing, nurturing and maintaining the invaluable enthusiasm and dedication of bellringers far and wide.
