## **Ringers' Walk**

This year's Walk and Ring took place on Saturday June 23<sup>rd</sup>. A Kent, Sussex, Kent wander of approximately 9 miles in total. The weather like the whole of the late spring and summer in the South East was very hot and sunny.

Members of the Eastern District were joined at Sandhurst by two visitors from Surrey. At St Nicholas our first tower there are 6 anticlockwise hung bells. We rang Plain Hunt, Plain Bob Minor and a course of Cambridge Minor before setting off into the countryside lead by Nick Cant.

Our route took us across fields of wheat and broad beans into a valley which gave us good views of the Kent and East Sussex Railway with a steam train puffing plumes of smoke. The footpath skirted the National Trust's Bodiam Castle grounds before leading us through a newly planted vineyard, past several charming oasthouses to St. Giles church.

All the bells at Bodiam are named apart from the 2. The Tenor is HIM Haile Sellassie, Emperor of Ethiopia and Rastafarian messiah, which is not a reference you expect to see in a quiet and peaceful country church in East Sussex! Here we rang Plain Bob Doubles and a course of Norwich Surprise Minor.

There wasn't a great deal of time for lunch so some of us had a picnic in the churchyard whilst others set off downhill for a swift pint in the Castle pub. The energetic ones amongst us reconvened at the start of the next section of the walk along the Sussex Border Path to Hawkhurst whilst others caught the handy local bus.

At Conghurst Farm we came across an electric fence and a cautionary notice advising us to beware of the bull. He was very large but seemed happy with his

harem of cows, so we passed by making our way to St Lawrence Hawkhurst, the only 8 bell tower of the day.

These bells are a bit of a challenge, heavier than the other two rings we enjoyed in the morning and not the easiest to handle but we did well ringing rounds and call changes, some Grandsire Triples and finishing with a good attempt at half a course of Cambridge Surprise Major.

Those who had a support vehicle and driver parked here had finished their day but once again the hardy few with cars parked at Sandhurst strolled back along the delightful footpath. I really enjoyed the day and was very glad that I had packed plenty of water and wore a sunhat. Our grateful thanks are due to Nick Cant for arranging the walk and getting the towers and of course to the incumbents for allowing us to ring their bells. It had been a glorious sunny day with good company and ringing which was enjoyed by all, however much of the walk they chose to do!

### ***Sussex Young Ringers News - Sussex wins the Ringing World National Youth Contest!***

Congratulations to Sussex Young ringers who won the Ringing World National Youth Contest in July

## NEWSFLASH! Sussex Young Ringers to star in Blue Peter!

Sussex Young Ringers will feature on the BBC's Blue Peter programme on Thursday 20th September (17.30, CBBC channel). Filming took place during the Ringing World National Youth Contest in July, which the Sussex team won. Presenter Lindsey Russell was also filmed having a "learn the ropes" session the week before, with the SCACR and KCACR youth striking competition teams. The programme may contain a few surprises...! The programme airs a few times in the week and is available for replay for a month afterwards. If the date changes for any reason we will be informed in advance and will let you know. Do encourage everyone you know to watch it!

This is great publicity for ringing, and we hope it will inspire new young (and old!) ringers.

### Sussex 10 Bell Team

Congratulations to the Sussex 10 Bell Team who won (and retained) the Essex Trophy at Horsham on Saturday 8<sup>th</sup> September. They came first out of seven teams with a striking accuracy of 88%. This was 12% better than Surrey who were placed second. The test piece was a plain course of Yorkshire Surprise Royal. Further details of this and other association news on the SCACR website:

## ISLE OF SHEPPEY/SITTINGBOURNE OUTING

30 June 2018

David Leworthy & Pip Pawley from All Saints

I first met Marian and David Hollands on a St Michael's Sittingbourne ringing outing over forty years ago when Marianne and I lived on the Isle of Sheppey and they both lived in Sittingbourne. This excellent outing, organised by Marian, was a real trip down memory lane for the three of us!! We were delighted to welcome ringers from several local towers which included: Christchurch, St Marys, St Saviours, Pevensey and Seaford. The ringing ranged from rounds and call changes to Stedman Doubles, Cambridge Minor and Bob Major at Tunstall with the help of 3 local ringers.

Massive thanks to Marian and David for their excellent organisation of a brilliant day.
